TRISH REPERT

Hi! I'm Trish Reppert, CFD, of Making It Floral, LLC. My passion is floral design, and I take great pride and pleasure in sharing the joy of flowers with others. I've been designing florals professionally since 2019. I obtained my Certified Floral Designer certification in 2021, through the American Institute of Floral Designers, and completed an apprenticeship with a highly acclaimed event florist in Philadelphia. I assisted our region's exhibit in the Philadelphia Flower Show last year, and will have a featured design in this year's show. I love being inspired by art and nature. Here's hoping you can be inspired and try Making It Floral!

IRENE DOBSON

Irene's award winning spontaneous style of impressionistic realism uses lost and found edges and allows pigments to blend on the paper. Painting has always been her passion and watercolor is her favorite medium. She has passed on her enthusiasm for watercolor to her students through her years of teaching. Irene is a graduate of the Fashion Institute of Technology. She studied at the Art Student's League in Manhattan and Kutztown University, as well as with notable artists such as Jack Coggins, Tony Couch, Ray Loos, Alex Powers, Charles Reid, Howard Watson and Ed Whitney.
